Dear Sir,

My attention has been drawn to your website on which you show photographic references and in the text make repeated references to Ultralab.

The Ultralab brand is intellectual property of this University and your use has not been agreed.

I also note repeated suggestions that Ultralab has been closed. It has not and your statement to the contrary is regarded as commercially damaging.

Within the next 7 days we require that you withdraw all references to Ultralab. Failing this, it is our intention to refer the matter to our solicitors.

Yours faithfully
